

# Marietta Daisies Garden Club

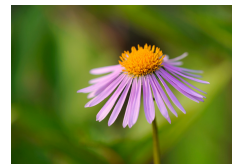

## September, 2023

### ***A Message From Our President:***

Summer is slowly making its way into fall, (tell that to my hydrangeas who are just now starting to bloom!) our thoughts are turning to gathering back together for fellowship and to expand our gardening knowledge. Plans have been made for our first meeting. Squarecrows on the Square committee is busy fashioning Daisy May, the roses are in bloom at Birney Memorial Garden, and our other projects are gearing up for another season! It takes us all working together to make Marietta Daisies the garden club that it is! Job well done ladies!

Looking forward to seeing you all on September 11th!

Elizabeth

## thanks

Melissa, our previous president, sends thanks for the beautiful birdbath that the Daisies presented her with last spring!

Thanks to a donation from the Marietta Daisies, there are new barstools in the renovated kitchen at the MEGC.

## THANKS!

**Yearbooks will be available for pickup at the sign-in table on September 11th at our first meeting. Make sure and get your copy so that you will have all of the information about this year's events and programs. With such strong roots, it's going to be a great year!**

## What will Daisy May look like this year?

Plans are underway for this year's "Scarecrows in the Square". Our committee has some wish list items that you can bring to the September meeting (skeleton hands or arms, styrofoam tombstones, black crows) or on October 2nd the set-up day (assorted mums, assorted pumpkins large and medium and bales of hay). The committee is also in need of storage space for Daisy May items. Contact Carol Fey if you have questions.

# The Laurel District

The Daisies belong to the Laurel District. The Laurel District will be having their Annual District Meeting on Tuesday, October 24th from 9:00-2:30. The meeting will be held at the Wheeler House Barn, 510 Gilmer Ferry Rd., Ballground, GA 30107. Ashley Frasca will be the featured speaker talking about the “Beauty of Fall Gardening”. You will receive all of the registration information via a separate email. The deadline to register is October 12th. Cost: \$45
