AUGUST 2026 NEWSLETTER

A QUICK NOTE FROM OUR PRESIDENT, JODI SCHNEIDER

It has been a busy summer. We started it with a wonderful Year-end Tea Party with a tribute to our outgoing President Patricia Silbiger, who did a wonderful job. We caught up with our fellow members and guests at the beautiful Summer Soiree. And throughout the summer Daisies have been busy pruning and planning.

DAISIES BRING IT!

The Board has also been busy this summer with new roles and planning for an exciting year ahead. What a talented and flexible Board:

- Giselle Stone has taken on the VP role replacing Donna Ellis
- Beverly Childs has stepped into the Treasurer role as Mary Ellen Leffard moves to Alabama
- Cathy Brooks has joined the Board as Programs Director
- Melissa Snyder has joined the Board as a Co-Chair with Dani Travis on Communications.

Let me also call out three extraordinary women who have given no less than 150 hours of their combined personal time in creating our beautiful Daisies Yearbook which you will receive at our first meeting in September: Melissa Snyder, Michelle Miller, and Jami Holden. Wow, what commitment to the Daisies. Thank you, Melissa, Michelle, and Jami!! It is a joy serving as President and I look forward to the year ahead!

Jodi Schneider | President, 2026-2027

There's Room In Our Garden!

A Message from Giselle Stone

Our meetings are too good to keep secret. A major rule of the Daisies is that you must talk about our club. Tell everyone we are looking for a few new good members. Spread the word that membership has its perks, but joining ours has the best ones, and remember your friend is our next new member. Don't let them down!

Daisy Doings in the Community

Updates from Lyric Garten

FAIR OAKS Look for the new garden and prep for the new plantings is going on now. Yvette Beckett has done an impressive job with this and will pass the reins to Alison Hlinka October 1, in time for the new replanting from Pansy Palooza.

BIRNEY MEMORIAL The five newly planted roses have thrived, and the Birney Team and volunteers have logged in more than 60 hours tending to the garden. 9am is the magic hour for watering and for more information contact Gail Bailey.

MARIETTA MIDDLE SCHOOL In addition to watering and harvesting rotation, Daisies have been repainting picnic tables and hopscotch, mulching, putting in pavers and taking care of repairs. Join in on August 11 @ 9am.

PARK ON POLK The Butterfly Garden is now complete and looks beautiful! Daisy volunteers have faithfully maintained the garden as a welcoming habitat for butterflies. Come join in the fun!

"ADOPT A MILE" KEEP MARIETTA BEAUTIFUL

Daisy volunteers met on July 31st to clean up our mile and enjoy lunch together. More information coming soon.
